# Magazine to Call 90,000 Copies Back

SAN FRANCISCO (AP)—

Ramparts Magazine announced Thursday it had agreed to withdraw 90,000 newsstand copies of its June issue at the request of the American Telephone & Telegraph Co.

Robert Kaldenbach, president of Noahs Ark, the staff-owned corporation that publishes the magazine, said the controversy involved an arti-

cle entitled "Regulation of the Phone Company in Your Own Home."

"It's an article by a phone freak about a device which can be easily built which allows a person to receive long distance calls

without charge to the caller," he said.

Kaldenbach said between 50,000 and 60,000 copies of the June issues—the magazine's 10th anniversary issue—were sent to subscribers earlier this month.
