## Get off that kick!

Dear Sirs:

I am afraid that I have become so disgusted with your over all paper that I am not going to renew my subscription. There are several nice features but the recent article on how to rip off the phone company was a bit much. Then the story on how bums make out around here was OK until your writer got around to explaining how one could eat "free" in a market just by bringing your own spoon. And this with an approving tone too.

Would you please bill me for my arrears on my subscription.

If you stop being an advocate of the hippie life style and regain some objectivity I probably would resubscribe to get the features I like.
