## Actress Gail Fisher faces drug charge

LOS ANGELES (AP) — Television actress Gail Fisher has been released on \$1,500 bail after being arrested for investigation of possessing cocaine and marijuana, authorities said.

West Los Angeles police Sgt. Jim McGary said officers searched her home Thursday on a warrant initiated by Pacific Telephone Co. over the actress' purported use of an illegal phone device. The device, called a "blue box," is one that allows callers to dial long-distance numbers without being charged, McGary said. Ms. Fisher played a secretary in the television detective series "Mannix."
