Title Excerpt from FBI File 62-HQ-31567: Memo regarding discussion with AT&T

Date 1966-06-01

Abstract Brief memo reporting on an impromptu meeting between FBI Lab personnel at AT&T

security while at another conference on call tracing related to the FAA.

Mentions "the appreciation of the Security Group of AT&T for the Bureau's work in recent gambling raids in California concerning a 'blue box' operation. He mentioned that he had previously offered to give a demonstration to Bureau representatives of various gambling paraphenalia which had been used to steal

service from the phone company..."

Keywords AT&T security organization; FBI; blue box; gambling

| evaluate and although  | b7C      |
| he did not refer local law enforcement agency inquiries, he did  | b7E      |
| suggest to Federal agencies that they might contact the FBI Laboratory. This is in accordance with the Bureau's previous                         |          |
| understanding with the American Telephone and Telegraph Company.   |          |
| stated that still is presenting them with a  |          |
| problem due to the wide publicity given him in two recent cases in which   |          |
| he testified in court. They are fearful that his premature introduction of   |          |
| "voiceprints" may work to the detriment of any ultimate forensic application this technique may have.  |          |
| mis teemique may nave.   |          |
| 2. expressed the appreciation of the Security Group of   |          |
| the American Telephone and Telegraph Company for the Bureau's work   |          |
| in recent gambling raids in California concerning a "blue box" operation. ("Blue box" is one of several devices for cheating the phone company   |          |
| billing equipment.) He mentioned that he had previously offered to give  |          |
| a demonstration to Bureau representatives of various gambling para-  |          |
| phernalia which has been used to steal service from the phone company.   |          |
| He apologized for his delay in setting this up but offered to bring the equipment to the Bureau at our convenience if there is currently an      |          |
| interest in seeing this demonstration.   |          |
|  |          |
| 3. expressed the desire of the American Telephone and  |          |
| Telegraph Company Security Organization to be of service to this Bureau and requested we feel free to call upon them at any time. He asked to be |          |
| remembered to Mr. Conrad.  |          |
|  |          |
| ACTION:  |          |
| This matter will be coordinated with the interested investigative  |          |
| divisions and arrangements will be made for a demonstration at a   |          |
| mutually agreeable time.   |          |
