Polanski’s ‘Macbeth’

By Kenneth Tows

Film

It is a film involving as much ghostly presences and surreal scenes as the actors. It is the same kind of mystical story with the same utilization of words, phrases, and ideas that pervade Polanski’s other films. It is a film that can be enjoyed in a variety of ways. It is a film that is as much a ghost story as it is a mystery. It is a film that can be enjoyed without understanding the plot. It is a film that is as much a mystery as it is a ghost story. It is a film that can be enjoyed without understanding the dialogue. It is a film that is as much a dialogue as it is a mystery.

Ma Bell vs. Ramparts

By Henry Allen

Ma Bell Ramparts, the national magazine that once covered the hill for 15 years, has been passed over by the New York Times and the Washington Post. It was once the only voice of the city that could speak to the people. It was once the only voice that could speak to the people. It was once the only voice that could speak to the people. It was once the only voice that could speak to the people. It was once the only voice that could speak to the people. It was once the only voice that could speak to the people. It was once the only voice that could speak to the people. It was once the only voice that could speak to the people.

Savannah, Key to Urban Livability

By Woll Yel Escher

Savannah is the key to urban livability. It is a city that is built on the principles of urban design, and it is a city that is built on the principles of urban design. It is a city that is built on the principles of urban design. It is a city that is built on the principles of urban design. It is a city that is built on the principles of urban design. It is a city that is built on the principles of urban design. It is a city that is built on the principles of urban design. It is a city that is built on the principles of urban design. It is a city that is built on the principles of urban design.
**Not Your Typical Washington Party**

By Sally Quinn

Thursday night Marilyn and Jack Ruby had another party.

Frank Sinatra came with Jacqueline Onassis and Nancy Reagan. Onassis is 180 pounds and Nancy is 128. The bulletin board at the party was adorned with a single picture of Jackie. It was the kind of picture that is put up by men who want to be seen as being close to the White House. 

The “Washington party” was the scenario. Sinatra was the host, and Nancy was his madame. Sinatra pulled out a lighted cigar and said, “I hope you all have brought your best behavior.” The guests were expected to be sober and to dress conservatively.

Marilyn was given the honor of speaking. She had a small speech in which she said that she was a great admirer of Jackie. She also expressed her belief that Jackie was a great actress and that she had a wonderful sense of humor.

The party lasted for hours and was filled with political and entertainment figures. The guests included Bob Hope, Jimmy Stewart, and Frank Capra. The music was provided by the band of the White House.

The party was a huge success, and the guests were all in high spirits.

**Savannah’s Plan**

CITICORDS Press C1

A portion, really, a huge, grandiose, and vastly historical plan. Some are affected by the plan, others are not. The plan is one of the most ambitious in the nation’s history. All the buildings are to be renovated and turned into modern offices. The city is to be transformed into a modern, efficient city. The plan is expected to cost $1 billion. The plan is expected to bring new life to the city. The plan is expected to be completed by the year 2000. The plan is expected to be a great success.

The plan is to be called “Revolution Savannah.” The plan is to be implemented by the Savannah Development Authority. The plan is to be financed by the city’s own funds.

The plan is to be the first step in the city’s efforts to become a modern city. The city is currently in a state of decay. The city is in need of a major improvement. The plan is expected to bring new life to the city.

The plan is to be a huge success. The city is expected to become a modern city. The plan is expected to bring new life to the city. The plan is expected to be completed by the year 2000. The plan is expected to be a great success.
