from: Director - Network Administration
Director - Network Maintenance

synopsis: Transmits current lists of identification code for recorded announcements.

* * *

Attached are updated lists of the identification codes which have been assigned for use on recorded announcements. The lists are in two parts:

- (1) All U.S. offices and Canadian Class 1,2, and 3 offices.
- (2) A complete list of all Trans Canada offices.

The lists have been prepared in this manner to provide full information to companies with a high community of interest with Canadian points while minimizing size of the list for those who have no need for the complete Canadian detail.

An identification code may be assigned to each class 1,2,3, and 4 switching system equipped with announcement facilities. Requests for new assignments or changes to the attached should be made to Mr. Herbert Power, Network Operations, (212-393-3200).

Copies of this letter are being sent directly to your Network Service Centers (Network Analysis Bureaus) and, at the request of Mr. R.F. Hanson, to Bell - Independent Relations people.

A handwritten signature in cursive script, appearing to read "R. D. Dalziel".

Director - Network Administration

A handwritten signature in cursive script, appearing to read "H. S. King".
